

Integrity statement

I hereby declare, on *day month* 2020, that I understand that taking an online exam in this corona crisis is an emergency measure to prevent study delay as much as possible. I know that fraud control will be tightened and I also realize that a special appeal is now being made to trust my integrity.

With this statement, I promise to:

- make this exam completely independently,
- not consult sources, other than explicitly mentioned in the exam,
- to provide an oral explanation of my answers.
