

RE-ACCREDITATION BACHELORPROGRAMME IN INFORMATION SCIENCES (FORMERLY KNOWN AS: INFORMATION, MULTIMEDIA AND MANAGEMENT)

To guarantee the quality of the programmes at VU University Amsterdam, the programmes are assessed once every six years by a panel of external experts. The final assessment of the programme is conducted by the Dutch Flemish Accreditation Organization (NVAO).

The bachelorprogramme in Information Sciences (at the time: bachelorprogramme in Information, Multimedia and Management) was reviewed at the end of 2017 and the final assessment is positive. The panel has made recommendations to the programme on the learning objectives of the programme and the coherence of the curriculum.
